

## IMPORTANT UPDATE

Dec. 18, 2008 / BC / AMG/E

*This communiqué is for SCCC Members Only.*

### Membership update:

Don't worry we are not increasing the prices for our existing members! This is assuming that you will renew your membership prior to the expiration of your current membership. We will contact you by email to give you plenty of notice.

Not only that, our Board of Directors and the Presidents of various other Swiss and European Associations are now working closer together with us to formulate plans to further enhance your membership benefits and enable you to participate in far more events, including Business & Social events! With the 2010 Olympics around the corner, 2009 will be filled with excellent opportunities to enhance and promote your business.

We strongly encourage all members to upgrade to a Corporate Membership, which provides you and your organization with numerous benefits. Our expanded network will also provide Corporate Members and advertisers with a broader reach, and even more exposure.

Please keep in mind that we do our best to keep our/your costs as low as possible, and that we are a not-for-profit, volunteer run organization.

### Free SCCC Membership?

We are rewarding you for your help in growing our chamber. For every new member that you introduce who joins our chamber, we will extend your membership by 3 months. For finding & registering 4 new members, you will therefore receive a full year of free membership benefits!

How do I introduce a new potential member?

Simply email us at [sccc@swisscanadianchamber.com](mailto:sccc@swisscanadianchamber.com) to arrange a meeting / introduction.
