ENVIRONMENTAL CONFERENCE

INVITATION TO EXHIBIT

SWISS PAVILION

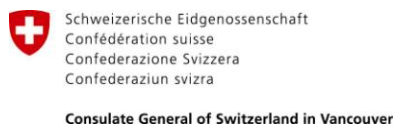

GLOBE 2010 is one of the world's largest and most prestigious events dedicated to the business of the environment.

Every two years, over 10,000 professionals from around the world come together at GLOBE for three days of educational sessions, world-renowned sustainability experts, leading-edge environmental innovations, global networking, and outstanding business development opportunities.

Join environmental business leaders, corporate executives, NGOs and government policymakers from around the world in Vancouver this March 24-26, 2010 to explore the mutually inclusive goals of: environmental technology, climate change and carbon management, clean energy, sustainable finance and greener cities.
