## The Speakers and their Topics, 1st Event

**Workplace Pension Solutions**, will present an overview of workplace pension plans and will address the following points:

- Canadians are not saving enough for retirement!
- Learn why less than 30% of Canadian private sector employers sponsor a registered pension plan.
- Why is it that Canadian employees are not saving enough and working longer?
- Consider this: Behind the equity in one's home, retirement savings should represent the second largest asset one will ever have in their lifetime.

**Apri Insurance** will touch on HR strategies and benefit plans:

- Disrupters in the Group Benefit Landscape,
- Why Business Travel Insurance?
- What is happening in the Prescription Drug Landscape?

**Borden Ladner Gervais LLP** will be bringing in a lawyer to discuss current legal developments in pensions and employee benefits, relating to:

- adult-use and medical cannabis;
- misrepresentations made by employers to prospective employees; and
- age discrimination and employment benefits.
